

CMHC TRAINING

CMHC assists mortgage professionals in expanding their knowledge and expertise to offer clients choice, advice and service. As Canada's national housing agency and backed by 75 years of experience in the housing market, CMHC helps brokers stay on top of the latest housing trends, be a trusted advisor to clients and a referral source on all things related to housing.

NATIONAL TRAINING SESSIONS

Your CMHC team offers regular webinars on CMHC products and industry topics throughout the year. Please contact your CMHC Account Manager for upcoming session information.

MORTGAGE LOAN INSURANCE PROGRAMS

Training sessions in this category qualify for MPC Professional Development Credits - 0.5 CEU per hour of learning

CMHC PURCHASE

CMHC Purchase can help open the doors to homeownership by enabling homebuyers to buy a home with a minimum down payment of 5% from flexible sources, such as savings, the sale of a property or a gift from a relative.

INDUSTRY KNOWLEDGE

Training sessions in this category qualify for MPC Compulsory Credits - 1.0 CEU per hour of learning

Default Management

Some borrowers may face unforeseen financial circumstances that may impact their ability to maintain ownership of their home. With early intervention, cooperation and a well-executed default management plan, lenders and borrowers can work together to find winning solutions to many financial problems.

Fraud information, prevention and reporting procedures

Mortgage fraud is an industry-wide problem requiring an industry-wide response. CMHC is committed to being a partner in fraud prevention, working with mortgage professionals as well as others in the industry to combat mortgage fraud. CMHC proactively works with mortgage professionals to prevent fraud at initiation.

Mortgage Consumer Survey

CMHC's annual flagship survey, the Mortgage Consumer Survey (MCS), is the largest and most comprehensive survey of its kind. Conducted since 1999, data collected from the survey provides key insights into the attitudes, behaviors, and expectations of recent mortgage consumers. Real estate professionals will learn how this data can promote a better understanding of their clients and ultimately help to grow their business.

FIRST-TIME HOMEBUYER INCENTIVE

The First-Time Home Buyer Incentive helps people across Canada purchase their first home. The program offers 5 or 10% of the home's purchase price to put toward a down payment. This addition to your down payment lowers your mortgage carrying costs, making homeownership more affordable.
